

ANNUAL REPORT

For the year 2022-2023

OUR VISION

To establish a progressive, peaceful and unbiased society based on the values of equality, fraternity and mutual help.

OUR MISSION

We aim to empower underprivileged children and youth through relevant education, innovative healthcare and market-focused livelihood programs. AMC is to deploy best possible methodology and technology for achieving ideal SROI (social return on investment), to practice and promote good governance to sensitize privileged children, youth and citizens in general to promote Civic Driven Change. We adopt highest standards of governance to emerge as a leading knowledge and technology driven, innovative and scalable development organization.

SECRETARY'S FOREWORD

We keep moving forward, opening new doors and doing new things, because we're curious...and curiosity keeps leading us towards new path. 2017-18 has been a very busy and highly productive year for us. We've been tirelessly fortifying our focus on children and their rights by addressing some critical strategic questions.

I would like to thank everyone who has supported us, financially and in all other ways. I would especially like to mention Mr. Pawan Kumar Gupta, Mr. Ashish Shukla, whose continuous support has been invaluable. I would also like to thank Mr. Asad Yar Khan and Mr. Muqeet Khan for being pro-active mentors

and advisors to AMC for over 8 years. We draw great strength from the support we have received in our journey from all of our donors, supporters, well-wishers and mentors who continue to motivate us.

OUR APPROACH OF GOOD GOVERNANCE

Credibility and accountability have always been the bench mark for AMC and are achieved through the promotion of principles of good governance in the processes and practices. AMC has a four-tier audit and evaluation mechanism to ensure, the impact of investment and complete transparency of accounts of funds utilized. This four-tier audit mechanism reviews programs and projects, internal operations, compliance of statutory norms and conducts an external evaluation for the impact and outcome of various development programs. The entire management processes and practices of AMC are in compliance with the principles of good governance.

OUR ACTIVITIES: **Skills for Youth**

AMC provides opportunities for local youth to receive training in vocational skills for sustainable livelihood. These skills include the following:

HYGIENE AND SANITATION PROJECTS :-

Clean water, basic toilets and good hygiene practices are essential for the survival and development of people. Today, there are around 2.4 billion people who do not use improved sanitation, and 663 million who do not have access to improved water sources. Without these basic needs, the lives of millions of children are at risk. For children under five, water- and sanitation-related diseases are one of the leading causes of death. Every day, over 800 children die from preventable diseases caused by poor water, and a lack of sanitation and hygiene. We realize that the key to drinking water security lies with the community. Our approach involves promoting locally-owned and managed drinking water security plans at the community-level. These plans are simple which can be used, monitored and managed by people

With no awareness of or access to proper health care facilities, the ultra-poor do not have the privilege of preventive health care. the programme guides them towards a healthy lifestyle.

REPUBLIC DAY:-

Republic Day was celebrated on 26th January with great reverence in Academy of Mass Communication as the children in all grades learn about India's political history, freedom struggle and the Constitution as a part of their curriculum. They learn how the great sons of the motherland have fought to attain freedom and make India a sovereign state.

The day began with a prayer followed by flag hoisting by the Guest of Honour, Mr. Rizwan. This was accompanied by the Flag Song, our national anthem and the pledge. The Guest of Honour spoke eloquently about our diverse nation and the relevance of the Constitution and the Preamble. He enthralled the audience with inspirational stories and reiterated

Students are also made aware of the cultural heritage and other aspects about India arousing a sense of pride in being a citizen of a country with a rich cultural past. They are encouraged to preserve its varied national heritage and assume a sense of social responsibility the need for being resolute in our path to achieve our goals.
